Mr. Young,

On behalf of Chester Baptist Food Pantry we want to thank Channel 5 for the donation credited to our account at Good Shepherd in the amount of \$110.00. Getting our food through that agency allows us to get a fairly good variety of food out to the people that come to our pantry. Your donation will allow us to get about 700 pounds of food to pass out.

Thank you for your concern in ending hunger in Maine.

Dear Michael;

Thank you for your support and believing in our mission. We appreciate your generous donation of \$100.00. With your donation we will be able to provide more youth with a hot meal every day and a safe place to go after school. The Club will be able to continue to expand the programs we provide to meet the individual needs of each child we serve.

From all of our kids and the staff of the Boys & Girls Club, we thank you for your support! We would like to invite you to come see what the Club is about at anytime. Seeing first hand what a difference you have made in our community is the best "thank you" anyone could ever give.

Again thank you for your support.

Sincerely,

Carla Fearon

Dear Paul,

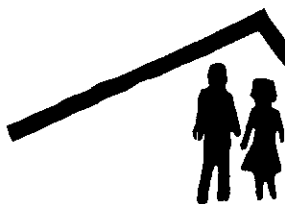

The guests, board, staff, and volunteers of the Mid-Maine Homeless Shelter would like to thank you for your generous donation of \$ 250.00 on February 07, 2006.

The National Alliance To End Homelessness estimates that every night there are 750,000 people in the United States without a home. Last year about 50% or 5 out of 10 people without homes, were families. Thanks to the efforts of donors like you, the majority of people without homes NEVER have to sleep on the street. With your help, we will continue to provide a safe, warm and secure place for our guests to stay.

Dear Mike:

I am sending this in praise of Sharon Pelletier.

When I came to work Wednesday morning and turned on my computer, there was an email waiting for me from a colleague who works at CHCS. She had seen Tuesday evening's segment and "...couldn't wait for the morning to contact (me) and tell me it was the best piece on homelessness she had ever seen on t.v." Others have since echoed those thoughts.

Of course, I watched all three nights. I've got to tell you, that series will make an impact on everyone who watched. What I witnessed, in person and on the television, was a production assembled by a professional who cared about the topic; invested herself in building trust, demonstrating respect, and acting from compassion while maintaining objectivity; and turned many hours of work into a story of impact through judicious editing.

Please let Sharon and all those involved in the series of my appreciation and admiration. From the beginning, starting with your involvement and the meeting Jim Tyler (Board President) and I had with Paul and Jon, the meeting here at the Shelter with your crew and the Browns, through to conclusion, this was an experience and a product that hit the highest marks.

Most Respectfully,

My husband and I want to thank you for showing Thursdays child each Thursday night. About four years ago we were watching you news and saw the segment. We talked about becoming foster parents and since then we have had 11 Placements and we adopted one of them. We also would like to let Sharon know that the compassion she shows not only as a reporter but as someone who really seems to enjoy each child she is meeting with makes us wonder has she ever thought to open her heart to foster care we feel she would be great if not. Please continue the great work that you all are doing in letting people know about the wonderful children that are up for adoption in our state.

Dear Paul:

I wish to thank you for your generous donation of the 10 Todd's Recipes Cookbooks for the International Food Festival and Auction which benefited the Chapel Fund at Down East Community Hospital.

Thanks to the efforts of so many, the International Food Festival and Auction was a tremendous success raising nearly \$16,000. This event has brought us over the half way point of the \$80,000 necessary to construct and furnish the hospital chapel. More than 170 people enjoyed international foods from over 20 different countries, graciously prepared by local culinary experts who donated their time and talent. Tap dancers and musicians followed by a lively auction provided fun entertainment for all.

In the coming months, we will continue to work diligently to raise the remainder of the funds needed for our chapel and as we do so, I invite your thoughts and ideas. Mostly, I look forward to celebrating the successful opening of our Down East Community Hospital Chapel with you in the near future.

Again, many thanks for your support.

Dear Michael Young:

Thank you so much for your generous support of Good Shepherd Food-Bank this past year. You've touched the lives of men, women, and children in need across our state.

Your support allowed us to provide over 8 million pounds of food to our more than 500 partner agencies throughout Maine including soup kitchens, food pantries, homeless shelters, group homes and senior centers, who in turn served people facing hunger in Maine.

Your donations made to Good Shepherd Food-Bank between January 1, 2005 and December 31, 2005 were \$5,000.00. If you need a break out of this total by individual gifts, please contact Cathy Stevens at (207) 782-3554 ext. 25.

Thank you for your willingness to reach out to families and individuals in need. You give them hope. Please accept our blessings for a healthy and prosperous 2006. We appreciate your continued support as we carry out our mission of *Feeding Maine's Hungry*.

Thank you, thank you, thank you.

Too all at WABI that made it possible for your viewers to watch Maine hockey over the weekend, thank you. It probably isn't profitable by the time you pay whomever to get the feed, but the fans really appreciate it, and we remember WABI's commitment to the community as a result. Whether Maine wins or not (but they just went up 2-0) it's good stuff no matter how you slice it!!!

Hi, Mr. Nadeau.

Thank YOU for acknowledging our efforts, and for expressing your appreciation. As you might imagine, we more commonly hear from viewers with complaints than with praise, and we certainly appreciate your taking the time to write to us with such positive comments and support. That was really great of you. Your comments will be shared with the staff.

Dear Paul:

I want to extend my thanks for your contribution to our golf tournament last September 2005. It has been one of the best fundraising events now in its eighth year of existence. It was the first ever to be played in Maine.

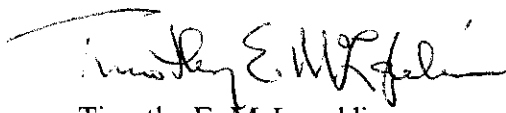

With remaining golf towels to be sold, we will surpass the \$1000.00 mark in raising funds for the Deaf Youth Camp fund. I have received high compliments from the officers and golfers alike. I feel so honored and proud that I was the first ever host for the deaf tournament in Maine. To say it another way, you, the sponsors, are the ones that make it a successful tournament!

Please feel free to look at the website of our tournament. I have been working on it since the tournament was over. And sorting out hundreds of pictures to choose for our Photo Gallery. The website is: www.mainedeafiesnetwork.com/nedga.htm. I hope I will finish the final two events for the gallery to be completed in end of March. As I have over 400 pictures remaining to look and edit for the best ones.

And now its almost time for tax time, I want to remind you of your donation as charity. Your donation of \$150.00 as Platinum member. I hope you enjoy the program book and gift from us as our thank you for your support. And I hope in the near future, I can have your support again if Maine wins the bid again. The bidding for host site in the Northeast states will be open after 2012 and I do not know if and when Maine may win again. Since you have impressed the officers and golfers, I hope we will be back here in Maine sooner.

Again, my deepest thanks to you for making this the biggest success tournament in its history and have a wonderful 2006!

Dear Michael:

Thank you for your recent gift of \$700 to the Black Bear Fund. Your contribution to our athletic program will have an impact on our success as we pursue excellence in all of our sports. Maine Athletics' primary mission is achievement in the areas of academics, citizenship, and competition.

In the classroom, a record 239 Maine student-athletes were honored for grade-point averages of 3.0 or higher this year. Included were many "Rising Stars" who compiled GPAs of 3.0 or higher in their first semester on campus. Remarkably, more than half of our student-athletes were honored for their academics. Maine also led America East with 81 percent of its fall athletes on the conference Academic Honor Roll.

Black Bear teams continue to reach out to the community at special events such as "Skate with the Bears" and National Girls and Women in Sports Day. Our students also are busy visiting hospitals, schools, and participating in clinics for local youth. Recently some of our students volunteered for a Habitat for Humanity activity in Central Maine.

Our men's ice hockey team advanced to the NCAA Frozen Four for the 10th time and reached the Hockey East semifinals for a record 17th appearance. Our women's ice hockey program advanced to the Hockey East Playoffs. Our men's & women's basketball teams played in the America East Tournament. Our baseball and softball teams, led by new coaches, have enjoyed strong starts to their seasons. Both teams lead America East standings in initial league play.

Already this year our women's soccer team played in its third straight America East Championship and our field hockey team advanced to its championship game while sharing the regular season title. Our volleyball team also played in the America East Tournament. Our football team had a strong showing at Nebraska and received some national notoriety. Kirby Davis became the first Maine men's runner to win the America East Cross Country Championship.

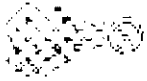

An official gift receipt for your contribution will be sent to you under a separate cover. If you have any questions, please give us a call at (207) 581-1130.

Best wishes and remember,

Dear Mr. Young:

Thank you for your \$1000 sponsorship of Memory Walk 2006, Taking Steps to End Alzheimer's.

Memory Walk is the primary source of funding for the Maine Chapter. Proceeds from this event will help the Chapter support the 30,000 Maine people affected by Alzheimer's disease, and take steps through research toward treatment, prevention and cure.

This will be our 16th year of Memory Walk in Maine and our goal is to exceed all previous achievements in terms of dollars raised, team involvement, and walker participation. Thank you for bringing us closer to achieving this goal!

Visibility for our sponsors will be available via brochures and posters distributed across the state, Memory Walk clothing given to walkers, walk site tabletop display opportunities, and radio / television / print / online media coverage before and after the event.

We very much appreciate your sponsorship of this worthwhile and well-loved event, and thank you for your generosity.

We look forward to seeing you on October 7th!

Dear Mr. Young,

On behalf of all of us at KMHA Foundation and the Kennebec Valley Mental Health Center – staff, consumers, and Board of Directors – I thank you for your generous gift of \$250. Your check #21082 dated 6/15/2006 has now been deposited. Your gift will be used to support agency programs for children and adults dealing with mental illness.

Because this agency has provided no goods or services in exchange, your gift is tax-deductible to the extent allowed by law. For your records, please note that KMHA Foundation's tax identification number is 61-1419904, and KVMHC's number is 01-0265559.

Your gift makes it possible for KVMHC's programs to promote the well-being of people throughout Kennebec, Somerset and Waldo Counties who experience mental illness, emotional difficulties, or behavioral challenges.

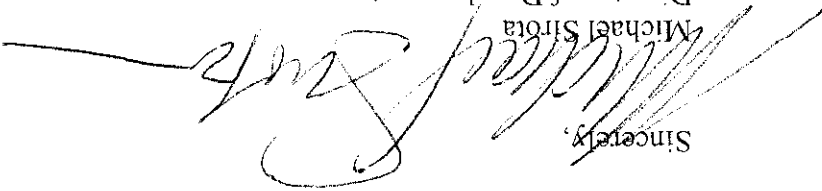

Your support helps over 9,000 people – children and families as well as adults – who receive high quality mental health services all year long. Thanks to you, each one of them is more likely to be a happier, healthier individual, contributing to the health of our community.

Again, I thank you. At a time when demand for KVMHC's services is increasing, your gift makes a real difference.

Dear Supporter:

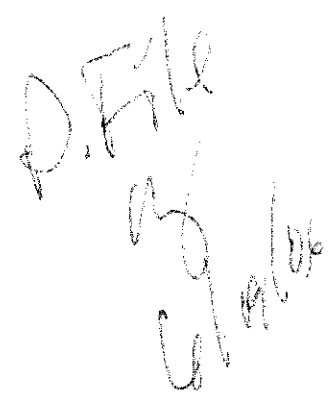

Thanks so much for your generosity and involvement with Maritime Energy/Farms and MDA's 13th Annual Golf Outing. I'm pleased to announce, together, we raised \$14,000.00 to benefit Muscular Dystrophy. Whether you are a customer, supplier, or a friend, Maritime's success in helping the Muscular Dystrophy Association would not be possible without your contribution.

We are grateful for your assistance in helping a worthy cause. There are over 40 neuromuscular diseases. It costs \$25.00 for a flu shot, \$65.00 for one minute of research, \$100.00 for a support group session, \$200.00 for one clinic visit, \$600.00 to send a child to camp for one week, and \$2,000.00 for a powered/manual wheelchair and communication device. The money Maritime Energy/Farms contributes stays right here in the State of Maine.

I hope you had a wonderful time. Thanks for making the golf outing a success and we look forward to seeing you on the golf course next year!

Dear Mr. Saliwanchik,

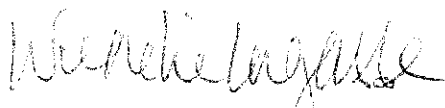

Move & Improve of Eastern Maine Healthcare Systems had another triumphant program conclusion. The 12-week program, which wrapped up at the end of May, has once again been successful in encouraging participants from all over the state of Maine to increase their level of daily physical activity. In fact, this year the program attracted over 9,500 participants. What is even more impressive is that 50.24% of the participants completed the program at one of the two levels offered by the program.

The Move & Improve Program of Eastern Maine Healthcare Systems is truly grateful for the generous support from WABI. We are thrilled to be able to continue to provide this free, community-based program designed to encourage and empower individuals to engage in a healthier lifestyle through physical activity.

Through the support of WABI, M&I continues to maintain a strong presence in the community promoting the value and importance of physical activity as part of a healthy lifestyle. Together, through encouragement and opportunity, our fellow Mainers will set out on a journey to Move & Improve towards a healthier lifestyle.

Thank you for recognizing the vital role that programs like Move & Improve provides to our community as we are well on our way to a healthier Maine!

Dear Mr. Young,

This brief message is from the hearts of all the members of the Orono-Old Town Kiwanis Club! We would like to express our sincere gratitude for the wonderful publicity WABI-TV extended to our annual auction. The effort and creativity of your Public Service, Promotion, and News Staff was wonderful.

Our auction is to raise money for the children, elderly, and needy of our two communities. All the money we raise is donated to charity. This year we set a new record....over \$60,000 was raised to be returned to the community during the coming year.

We could not have done this without the tremendous support that came from WABI-TV!

Again, we thank you and your staff for their very important contribution!

Dear Mike:

THANK YOU! Your support in the amount of \$500 for our CMN Golf Classic enabled Healthcare Charities to raise more than \$77,000 to benefit the Children's Miracle Network of Eastern Maine Healthcare Systems. This represents almost a 17% increase over last year, and makes it our best year ever!

This could not have happened without your support. Your participation in the Children's Miracle Network Golf Classic will enable us to continue to deliver the high caliber medical care that last year provided hope to 125,000 children of Maine! Monies raised from the tournament will help us provide our children's services with updated pediatric medical equipment, therapy supplies, educational materials and advanced training. Your gift will support CMN children's services from Presque Isle to Waterville, Greenville to Bangor and Pittsfield to Blue Hill.

Our mission is to provide quality medical care close to home. Your participation in this important community effort reflects your commitment in helping us achieve this mission. On behalf of all the children living in our region, thank you.

Yours for the Children of CMN,

Nancy Dysart
CMN Director

Once again, thank you. No goods or services were made in consideration for your gift. As always, your gift is tax-deductible to the extent allowed by law so please keep this letter with your tax records.

Dear Friends,

Thank you for your donation of \$110.00 for Good Samaritan Agency through Good Shepherd Food-Bank. (The donation is for no goods or services received.) We appreciate your generosity very much. Your donation will help us to continue our mission of service to adoptive families and single parents and their children.

Your gift goes directly toward services for people who come to Good Samaritan for assistance. This year we expect to serve over 100 single parents by providing counseling, education and advocacy. We will care for over 75 infants and children in our childcare center throughout the year. We also anticipate working with approximately 20 families who will adopt a child. Your contribution is very important to the agency and our clients.

Sincerely,

Debbie A. Giguere
Executive Director

Thank you very much!
